EXPERIENCE /

Product designer
VOIS / Apr 2026 - Present

Working within the VodafoneThree digital squad on Three's post-login service journeys, from login and account management to billing and payments. I take projects from requirements through to dev-ready designs, working closely with product, research and technical teams.

Product designer
K&H Bank Group. / Mar 2025 - Mar 2026

I work across several parallel digital projects for web and native mobile, taking designs from early concepts to high-fidelity interfaces. I work closely with product managers, developers and stakeholders to balance user needs with business goals.

UX / UI designer
InteliArt Online Marketing Ltd. / Jul 2020 - Oct 2024 · 4 yrs 4 mos

Designer in a small team of three developers and a project manager, building websites and webshops. I created and maintained the design system and worked with the developers on a shared CMS, alongside user flows, wireframes and prototypes.

Software tester
InteliArt Online Marketing Ltd. / Apr 2020 - Jun 2020 · 3 mos

Tester of T-Systems Hungary's latest e-MedSol product, startMedSol.

Administrator
InteliArt Online Marketing Ltd. / Aug 2015 - May 2020 · 4 yrs 10 mos

Writing and managing Facebook and Adwords marketing campaigns supplemented with graphic materials.

Trainee
Brillart Window Dressing and Decoration Ltd. / 2009 - 2015

Gained practical experience in decoration and design projects.
